

From plastic binders and boxes to protective films and document archiving and protection, just to name a few, ABIS products have been popular for office supply applications for decades. Back when iMacs were introduced in translucent pastel colors, we helped manufacturers get complementary-colored polyolefin sheets to make paper binders and other office supplies to match. Rely on us for right-priced materials for your office supply applications. Contact us today to discuss your manufacturing requirements.

Every office needs good storage. As well as the fact that we all need to be able to find the things we want and for them not to get damaged, there are also health and safety implications to having a cluttered office. ABIS have dozens of wonderful storage solutions, and our range of plastic boxes is a cost-effective way to keep all those things that clutter up the office neat and tidy but easily accessible. Our boxes come in all shapes and sizes, and are good to be stacked, hidden away or carried around as and when required.

Keep your files, photos, and many more valuables safe against tears and moisture . Its design and sturdy material will keep them well protected while the wide range of colors will ease the categorization for better efficiency. Big savings at Bulk Office Supply!
